Intervarsity

With a hopeful kick-off date of October 16th we will be starting an old initiative on residence at UNBC called "**Open Table**". A weekly night of serving food and intentional discussion for students living on campus. It is a great way for us to be meeting new students and serving them in a tangible way. But! We need your help! If you are interested in being involved in supplying meals for students at Open Table, we need volunteers to make food! If you are interested in monthly, or even every semester, supplying food for 20 or 40 students on campus, please fill out our form or let me know. We will be compiling a list of lovely chefs to ensure our students eat great.
